PEACE OUTSIDE CAMPUS – The
Lindsey M. Bonistall
Foundation – was
founded to promote
peaceful and safe living
environments in off-
campus college
communities nationwide.

The group offers programs for college and high school students and their families about ways to safeguard themselves, through empowerment, strength, and security. They also promote awareness of the need for such precautions.

The seeds of **PEACE OUTSIDE CAMPUS**, The Lindsey M. Bonistall Foundation, were planted in the violent attack and murder of its namesake, a graduate of Good Counsel Academy High School, in an off-campus attack in 2005 while she was a student at the University of Delaware.

**Come celebrate the
20th anniversary of
The RDC Center!**

Since its founding in September 1991, The RDC Center has lived its mission of providing affordable and compassionate counseling services for children, adolescents and adults in an atmosphere of warmth, welcome and acceptance.

Responding to current needs, The RDC Center also offers programs for Hispanic mothers and daughters and for those looking for work.
